

Wellbeing at Work

June 2026

How to Stay Ahead of Heat Exhaustion

Heat exhaustion can affect anyone—especially those working outdoors or in hot environments. Symptoms include dizziness, headache, fatigue, fast heartbeat, and nausea. Consistent hydration, electrolytes during long or hot shifts, regular breaks, and early symptom recognition help prevent serious illness.

Benefits Corner

Prescription Coverage

- Did you know that Blue Cross Blue Shield of Michigan/Blue Care Network prescription drug plan includes expertise to help ensure that your medicine is safe, effective, and a good value?
- Through a tiered system, Blue Cross helps you identify which prescription drugs are covered under your plan and which ones may cost you money out-of-pocket.
- **Knowing the difference** between these tiers and discussing alternatives with your doctor **can save you money** on your prescriptions!
